## WHEN YOU “GOTTA HADDOCK,” PRE-ORDER OR PRE-RESERVE Prosperity Social Club’s Popular Lenten Fish Fry-Days Begin February 19

(CLEVELAND, OH) **Fish Fry-Days at Prosperity Social Club**—which regularly appear on “Best of” lists and were featured on the Travel Channel—return **Fridays, February 19 through April 2, 11:30am – 10pm**. The Tremont pub has been a destination for end-of-week fish-forward specials for 15 years now, serving thousands of fish fries over the seven Fridays of Lent. “This all might have started as a religious penitence, but hand-battered whitefish paired with creamy mac-and-cheese is a comforting indulgence that many people now look forward to,” says owner Bonnie Flinner. Prosperity will be open for Friday lunch service to provide more dine-in and takeout opportunities. With spaced tables and other Clean Committed measures, Flinner believes a little advance planning will be key to keeping everyone socially distanced and satisfied. “We have

always encouraged reservations at this time of year, but scheduled seatings and on-time arrivals are that much more important, especially for evening service,” says Flinner. **Anyone who hasn’t made reservations to dine-in should call 216.937.1938 and pre-order their meals for timed, curbside pickup.** Limited online delivery will also be available via DoorDash®.

First-timers can’t go wrong with the ‘**Big Fish**,’ says Flinner. The seasonal staple features a generous portion of flaky haddock covered in a fluffy blanket of beer batter and complemented by crunchy coleslaw, zippy house tartar sauce and decadent mac-and cheese. Hungering for more? The ‘**Gotta Haddock**’ ultimate fish fry comes with the works—a scoop of mac-and-cheese, side of slaw, cup of made-from-scratch chowder AND two pillowy potato pierogi with caramelized onions and a dollop of sour cream. **New in 2021, diners can substitute a panko-and-herb-crust baked haddock in either of these meals.** “The baked offering is delicious and travels well,” says Flinner.

Whatever the fish dish, Flinner recommends pairing it with a **signature sangria** or **Sibling Revelry Brewing’s “Gotta Haddock” lager**, a clean, light-bodied local beer canned specially for Prosperity Social Club. Both easy-drinking options are also available for takeout (Housemade Sangria 16-oz bottles \$11, Gotta Haddock 4-packs \$12).

**The remainder of Prosperity's tavern-style menu will be limited on Fridays during Lent to allow its team to concentrate on delivering perfectly cooked fish dishes.** Other available selections include potato pancakes, a salad, a cheeseburger, a chicken sandwich, pasta pomodoro and the vegan/gluten-free Prosperity Bowl.

**About Prosperity Social Club:** Residing in an original 1938 barroom, Prosperity Social Club is open to the public, being a social club only in a figure of speech, behavior and attitude; a tip of the hat to a past era. Prosperity Social Club offers a full-service bar, great microbrews, a variety of affordable wines, performances by an array of talented musicians, a friendly staff and a smart, eclectic clientele. The kitchen stays open for late night dining with a sophisticated, tavern-style menu (that even accommodates vegetarians). It's a true Cleveland experience.
