SPICY MEXICAN CORN DIP

To find more of David's recipes, go to Fox8.com/New-Day-Recipes

Ingredients

- 2 cups Mayonnaise
- 1/2 cup Shredded Parmesan Cheese
- 6 oz Jalapeno, chopped
- 8 oz Colby Jack cheese, shredded
- 15 oz Mexican Corn, in a can

Directions

1. Preheat oven to 350 degrees
2. Mix all ingredients in a bowl and spread into a 9x13 casserole dish.
3. Cook for 20 minutes or until golden brown on top.
4. Serve with mini rye breads or tortilla chips.

Notes: Do not continue cooking after 30 minutes. It will separate and get oily. However, you can keep it warm in a 200-degree oven.
